Dear SC Football Parents,

It has been an incredible summer! I don't know about all of you, but I have really had a great time. I am extremely thrilled about our coaching staff & the work they have accomplished. They are working so well together & sharpening each other nicely. I have never coached with a finer group of men. I am proud of our players & the improvements they have made. This team is a very special group with such a bright future! I am also very pleased with the partnerships that have been made with you...the parents. We could not make the most of this season without you & for that I am grateful.

We have had two great weekends with our dads. Moms, this weekend it is your turn. Our Moms Date Night is this Saturday. I am excited about this event for you & your son(s). But, I am also excited that my mother is planning to attend. It will be another special night.

This week we will be on our normal school & practice schedule. Practices will typically be from 4:00pm-6:00pm and we will be lifting on Tuesday & Thursday mornings at 7:00am.

We have a lot of work to do in order to be the best team & program we can be. So, find ways to bring value. It will go by quickly!

Thank you for all you do,

Coach Conaway
